About me

I'm **Jahidul Islam**, a Creative and detail-oriented Packaging & Label Designer with a passion for bringing brands to life. I design packaging that not only protects products but tells the brand's story, builds trust, and creates memorable experiences for customers. Skilled in crafting visually appealing and meaningful designs that resonate with audiences and elevate brand identity.

Dedicated to helping brands shine through innovative, market-focused packaging solutions that customers love.

Education

2019 - 2024

Secondary School Certificate (**SSC**),  
Nakla Pilot Model High School

Experience

2023 - Present

**Freelance Packaging & Label Designer**  
Self-Employed, Fiverr & Freelancer.com

**Discription.** I have experience working with international clients on Fiverr, Freelancer.com, and other out-of-marketplace platforms. I have designed packaging and labels for clients across various industries, including Health Care & Medical, Food & Beverage, Cosmetics & Beauty, Electronics & Gadgets, and Home & Lifestyle Products. Through my work, I have successfully satisfied clients, delivering accurate, professional, and visually appealing designs. I am skilled at managing projects within deadlines, handling revisions efficiently, and assisting clients in developing brand identity and visual communication strategies, helping their products appear more competitive and professional in the market.
